School Uniform of
The Creek Planet School*

A dedicated online uniform store for

An initiative of

We are one year old today. We have completed the first year of online sale this academic year in South India. The year was eventful. It was a year full of rich and learning experience, which will help us improve our performance as an online store and serve better. We have taken several measures to overcome the hiccups we faced in the previous year and provide transparency in our service in terms of quality, size, fittings and standard accessories.

For better clarity before booking, all The Creek Planet Schools are provided with POPs displaying the samples of uniforms in a wide range of sizes for parents to check and verify before placing order for the same.

We have taken necessary steps to prevent quick fading of the colours of the products sold. We have ensured fastness of the T-shirts colours and improved the quality. Similarly the fittings of the Tunics, Skirts, Trousers have been improved and so have the accessories of the blazers following the suggestion of parents.

Your suggestions to help improve the quality are always welcome.

Note: Kindly follow the garment washing instructions carefully for longer life of the uniform that undergoes many washes more frequently in the academic year.

Tunic

Grade Nursery to II: Girls

Designed to give the little girls a neat and smart-formal look, the grey mini checks tunic is complemented nicely with a self-striped blue shirt. With a gentle puff on the shoulder, this well-fitting tunic offers comfort and smart style that lasts all day.

Shirt & Shorts

Grade Nursery to IV: Boys

This neatly-cut and crafted uniform of a blue shirt and grey mini checks pair of shorts for boys creates a sense of pride and gives the little gentlemen a prim look. With contrast-colour pipings on the shirt and the shorts, the look is more complete.

A blue color self-striped shirt is complemented by a grey mini checks frill-skirt to give the young ladies, a classy, striking and graceful look. The skirt gets a dash of difference with the three-stripes. The look is only enhanced with contrast-colour pipings on the shirt.

House Uniform

Grade I to X:
Boys and Girls
(Orange, Yellow, Sky Blue and Green)

With the school being segregated into four Houses, each group has a distinct identity. While differentiation is key, enough care has been taken to ensure that every House's colours are vibrant and standout on their own - even when seen as a stand alone.

So, each group has its own solid colour, and to subtly imbibe the aspect of unity - the colours of other three groups are set in the form of stripes on the shoulders of a given group's House T-shirt. This oneness is complete with track pants that are of same design and pattern all across.

Blazer

Grade V to X: Boys and Girls

The blazer, to be worn during special occasions, is a symbol of sophistication, formality and an air of classiness. Both, the young gentleman and the young ladies, have a specially crafted blazer to suit their body types. The contrasting piping along the deftly-crafted lapel gives the blazer a dash of style and the metal button with The Creek insignia, completes the formal look.

Jacket with Hood

Grade I to X:
Boys and Girls

The warm-material Jacket with Hood helps in keeping up the decorum with a uniform look even across harsh winters. It has an attached hood that helps cover head and ears from cold winds. On an other hand, the Jacket with Hood complements the colours of the uniform.

Nursery to X Grade: Boys & Girls

Nursery to IV Grade: Boys & Girls

V to X Grade: Boys & Girls

Tie, Belt, Socks & Shoes
